Dear Sir:

A proper Response to the 14 April 2006 Non-Final Office Action was electronically filed on 16 October 2006 in the above-identified patent application. The PAIR IFW confirms USPTO receipt of the Response and related papers (see Exhibit "A"). However, the PAIR Status in the Bibliographic Data (Exhibit "B") and the Transaction History (Exhibit "C") have not been updated to indicate receipt of said Response.

We therefore respectfully request updates to PAIR to reflect entry of the RESPONSE, directing such notice to the attention of the below-signed attorney of record.

Respectfully submitted,

Tracy W. Druce
